

WE'RE LAUNCHING SOMETHING BEAUTIFUL... AND YOU'RE INVITED TO BE PART OF IT

As-salaamu 'alaikum dear friends,

We're excited to share a dream that's been growing in our hearts — and it's finally here:

Our Islamic stationery line has officially launched, starting with a heartwarming series of **greeting cards** filled with du'as, gentle affirmations, and reminders rooted in faith, hope, and love.

We're a husband-and-wife team based in Northern California, working together to create stationery that not only looks beautiful — but carries **meaning, barakah, and benefit for the Ummah.**

To celebrate this launch, we're offering **free samples of our greeting cards** to those who support us during this special beginning. All we ask in return is:

- **Take a photo of your card**
- **Share it with friends and family**
- **Post it to your Instagram, WhatsApp groups, or other social media**

Your support means the world to us. Every purchase, every share, every du'a helps us in our goal of making hijrah and continuing to design products that serve the Ummah with love and intention.

Please visit our website to browse the collection or **scan the QR code** below to purchase and show your support.

Jazakum Allahu Khayran — from our hearts to yours
